One story of a life impacted

HM - RLC has changed me in many ways. I now want to go to church on Sunday not because it is something I should do but I look forward to going. It has changed my way of thinking of people. I use to hold ill feelings toward people that I thought had done me wrong but now I forgive them and don't judge them. If there is any Judging GOD will do it. The Church Family are the Greatest. They are super friendly and caring. My Life Group is caring and like part of my family. Pastor Mike is great he preaches where a person like me can understand the word of GOD.

Take Your Generosity to the Next Level

- 1. Set Up Recurring Giving** – Set up your online giving to recur automatically. Two benefits – it allows you to be more consistent in your giving and provides more stability to RLC's giving levels.
- 2. Begin to Serve** – Consider volunteering your time with one of our many ministries – there's a place for you! Fill out the online connect card if interested.
- 3. Give an End of Year Gift** – Provide a year-end financial gift either online or in person as a thank you to God for his provision and blessing this past year.
